[DOWANOL PPH Glycol Ether.pdf](#)

Hi Kathy,

It was told to us this morning by Freedom Industries that there was an additional mixture in the MCHM that leaked from the tank. Attached is the MSDS from Freedom Industries and then the two from DOW is what they mix to make the PPH. Freedom Industries said this PPH mixture was 5.6% of the volume leaked, so about 300 gallons.

Subject: MSDS for PPH

Hello,

Attached, please find the three MSDS for the PPH.

Thanks,
